

IMPORTANT REMINDERS for Owners and Guests

Many Boca Towers owners enjoy sharing their homes and our common facilities with family and friends. We welcome your guests, but please remind them that Boca Towers is our home and not a resort. For the safety and comfort of everyone, please inform your guests of these important house rules.

If cooking creates smoke, never open the apartment door! This may trigger a costly fire department response. Balcony slider and windows maybe used to vent the smoke.

Immediately return carts to the cart room after use. Do NOT leave carts in apartments halls or elevators.

When doing laundry, please remove clothes promptly and clean lint from the machines.

Recycle as indicated on the trash room notices.

POOL/BEACH/PATIO

No smoking or glass on the pool deck

- Food, alcohol and drinks (except for water) are absolutely prohibited from the pool area. Kitchen and patio area are to be used instead. Leave these facilities clean and ready for others.
- **Children under 12 must be supervised** by an adult all times as required by state laws and health regulations. No running or jumping.
- Do not dive head first into the pool. This is dangerous because the pool is relatively shallow.
- Shower before entering the pool.
- Never climb over gates or fences to access the pool or beach as it is dangerous and may cause costly damage. Fines to owners may be incurred.
- Chairs/lounges at the pool and beach are on a first come basis. Do not "reserve" chairs by leaving towels or other belongings. During peak times, only one chair per person is allowed to ensure seating for everyone.

If smoking on balcony, prevent sparks or ashes from blowing to neighboring balconies.

DOGS

No guest or tenant may bring a dog anywhere on the property.

Dogs must be carried or taken by carriage to the dog walk.

Dogs at all times must be under full control. They are not to run free anywhere in the common areas.

Dogs are not allowed on the beach, per City of Boca Raton ordinance.
