

Pool Rules

Our community pool was designed to service four towers, not two. It is one of the largest pools on the Intracoastal. The Pool deck provides both a canopy and sunny spaces for your enjoyment. Lap swimmers may exercise alongside children playing and adults "talking."

The following **Pool Rules are important for health, safety and the enjoyment of all.** **Please make your guests aware of these rules** that keep our pool safe and pleasant for everyone.

Please, No Diving or Jumping!

The pool is open from dawn to dusk (When maintenance staff are cleaning the pool or using chemicals, swimmers must vacate the pool.)

You must shower before entering the water. (Please request your guests to observe this important health requirement.) Do not use shampoo or soap at the pool shower, due to safety regulations.

Children under age 3 must wear "Swimmers" diapers or pants. Children under 12 must be supervised by an adult.

No food or glassware is allowed on the pool deck. Enjoy your food and beverage on the patio beside the pool deck.

If you use sunscreen (which we hope you do for your own protection), please place a towel on your chair or lounge.

There is absolutely **no saving of chairs**, with towels or objects. Your presence is the only means to reserve a chair.

No floating devices except "noodles" are allowed. These Styrofoam tubes are available in the storage box on the South side of the pool house.
